## PRIOR TO THE 1900s

8" natural jade antique sex toy dated from around 1700.

19<sup>th</sup> century handcrafted ivory Chinese sculptures. Each man and woman are individual sculptures that you can separate ~ they are not “stuck together” so you can animate movements.

Antique Chinese Jewelry Box. What's so special about these? Well, in China looooong ago their "pornography" was cleverly hidden in typical items around the house. Open this delicate jewelry box and you will find...
